It was going to be my wife's 30th birthday this week and I was **surprising** her with a trip to **San Diego** for the weekend. Since it was going to be a surprise, I needed to **pack** both of our **bags** before **picking her up** from work and **hitting the road**.

Packing my stuff was easy, of course. I knew that the hotel would have **shampoo**, **conditioner**, and **body lotion** so I didn't pack any. I packed her **brush**, **comb**, **hair dryer**, **nail clippers** and **emery board**. I made sure that I didn't forget any of her **make-up**: **foundation**, **mascara**, **eye shadow**, **blush**, and **lipstick**.

I had everything we needed for our little trip. I'm sure my wife will be surprised, and I know she loves surprises!
