Patrick: Hey, congratulations! I just heard that **you're expecting**. **How far along are you?**

Cindy: Thanks. I'm **four and a half months pregnant**. It feels like it! I feel huge.

Patrick: You don't look it. I bet Carlos is excited. Do you know yet if it's a boy or a girl?

Cindy: No, we don't. Not yet. We should be able to find out at my next **ultrasound**. I don't care what sex the baby is as long as it's healthy. Carlos is really excited about the baby. He has been going with me to every **prenatal** appointment and we'll be taking a **Lamaze** class together soon.

Patrick: How was your first **trimester**? When my wife had our daughter, she had a lot of **morning sickness**.

Cindy: Oh, it was horrible! I was **nauseous** all the time, but I'm better now. Did your wife have a **natural delivery** or a **cesarean**?

Patrick: She had a natural delivery, but she was **in labor** for 12 hours! I was in the delivery room the entire time and wish I had an **epidural**, too.

Cindy: Twelve hours! I can't imagine doing that.

Patrick: Don't think about it. I'm sure you'll have an easy delivery. Let me know when the **baby shower** will be.
