Edmundo: What are you doing?

Ruth: Oh, I'm **packing**. My **lease is up** at the end of the month and I'm moving to Vancouver for six months while my boyfriend is finishing his degree at the university.

Edmundo: Oh, wow, are you moving yourself or are you using a **moving company** ?

Ruth: I'm renting a **U- Haul** and doing it myself. I'm putting some of my furniture in **storage** since we plan to move back here after he graduates.

Edmundo: Can I help? Do you need me to **forward your mail**?

Ruth: Thanks for the offer. I've submitted a **change- of-address form** to the post office so I hope my mail will get forwarded **automatically**. One thing I have to remember to do is to **shut off** the **utilities**, Ægas, electricity, and phone, Æbut I'll have two more weeks to do that.

Edmundo: Well, good luck in Vancouver. **I don't envy you**. I hate moving. **Let me know if** you need any help with those boxes.

Ruth: Thanks a lot. I appreciate it.
